

# 保祿六世書院家長教師會會訊

三零一七至三零一八年度 (第三期會訊)

#### 主席的話

譚月明家長(中四)

大家好。從去年十月在家教會周年大會上和大家見面後,轉眼 間又過了幾個月。

而期間本會亦舉辦了本屆最大型活動—「家校同心齊送暖」, 該活動可建立同學「仁愛與服務」的精神。是次活動,我們順利探訪約160户石籬邨獨居長者。活動得以順利進行,有賴各家長義工和學生的踴躍參與,我借此機會向各出席老師、委員及家長義工、同學致謝。

在這短短數月期間,本會亦購買了羽毛球拍及羽毛球供同學使用、舉辦了「正向家長教育講座」、聯同學校社工馬姑娘及其家長義工團隊,製作了愛心天使與曲奇餅送予同學及受助家庭,亦完成「家長意見調查表」,收到的意見亦非常正面。

在未來的日子裡,家教會一如過往,籌辦多項活動,目的是加強家長間之聯繫。一連串的活動將陸續舉行,例如:水果雙週及水果烹飪比賽、家長興趣班、家教會旅行。稍後,學校會發出詳細通告給各家長。

最後本人希望各家長能夠繼續支持本會會務,抽出閣下寶貴時間,參與我們為大家準備的各種活動,與你們的囡囡一同分享當中的喜樂。

## 新年曲奇法閣懷

#### 吳慧儀家長((中二))

今年有幸再次參加家教會的親子曲奇班,由 於有上年經驗,一班家長義工在學校家政室分工 合作,有的搓麵粉,有的量分量,大家有傾有 講,很快便將曲奇焗好,香味傳遍全校,再由學 生負責包裝,看著一包包的曲奇包裝完成,大家 都覺得非常開心和滿足,亦希望受惠家庭喜歡我 們製作的曲奇。

#### Polly Choi (Parent, S.5)

This is the fifth year that I can attend the "Lunar New Year Elderly Visit". It is such a precious experience that I am looking forward to each year. The seniors are very generous in sharing their life experience with our girls.

We have 2 students and one parent volunteer in a team. Each team is required to visit 4 elders. Our group has to visit 2 female seniors and 2 male seniors. The girls are zealous in introducing our gift bag that includes cereals, biscuits, ointment and Chinese calligraphic couplet. As an adult, I am responsible for breaking the ice.

Among the 4 seniors, 3 of them are living alone. The eldest one is over 90. She is living in a single room with an independent toilet. The community helpers come to her flat twice a week and facilitate her in taking bath to prevent her from slipping. Moreover, the social workers ask her for the shopping list weekly. She is very clear minded and looks healthy. It is hard to imagine that she has undergone great hardship before retirement. She became a widow at the age of 27 when her husband was only 31. She managed to work in a textile firm as a foreman in Hong Kong in order to raise up her children. She came from the Guangxi province before 1949 revolution. She is very humble and gentle. Our girls are well hospitalized. She said that she had the opportunity to receive full education even in times of war and felt truly blessed. We cannot find any sign of sigh and regret from her conversation. She has good relationship with her relatives and feels fulfilled about her life. Her house is very neat and organized. She also said that she is prepared to go to the elderly home when required. Through her I see peace and

Another one that impresses us is the 84-year-old man. His house is just near the bridge. Therefore, he can see our girls walking through the bridge every day. He is not very tall but his muscles are quite strong. He used to live in the country-house in Tai Wo Hau and moved to Shek Lei Estate after retirement. He said that it took only one and a half years to get the flat. He is very pleased and thankful. Indeed, the flat has three rooms but other 2 housemates who are much younger than him have passed away for many years. Therefore, he has been living alone in the 3-bedroom house for almost 10 years. He gets up early and sleeps early. He sleeps at eight and gets up at one or two in the midnight. I wonder how he spends the night. He said that he would watch TV sometimes and listened to the radio most of the time. He is quite satisfied with what he has. When leaving the house, we visited his kitchen and observed that his town gas usage was minimal. I am very curious and request for the reason. He then told us that he rarely used the heater when taking shower. Indeed, he never uses hot water but takes cold shower even in very cool winter. I am so surprised at him. He is very clean and strong. I feel I am very small and dummy in front of this great man. Moreover, his eye is very clear and bright. He has good eye sight. He does not need to use the government medical coupons. It is hard to imagine that his father and mother died before he reached 5. His only sister was drowned at the age of 16 when he was only 11. He went to Hong Kong Tong as a child labor. Life is not easy and yet he managed to live healthily and happily. It is such a miracle.

#### 正向心理學家長講座

#### 黎帶有家長 (中三)

2018年1月21日〈星期六〉,學校舉行家長日,主菜是派發成績表及見班主任,副菜則是上述正向家長講座,當天學校也作了細心安排,讓出席家長調動上主菜時間,大家可以下午取成績及見班主任,然後直接到音樂室出席講座。

本人到達會場時,席上坐滿帶著期盼眼神的家長及部份依偎著家長的女同學。 講座透過實景模擬及理論層面來述說。其中最讓我印象深刻的一個模擬情境是講壇 前投影著一個海灘的照片,講者先後配合照片播放不同類型的音樂,如:電影大白 鯊配樂及柔和音樂,席上帶領大家感受同一照片下,配上不同背景音樂之不同感受 。這確讓大家頓有所悟!

另一方面,講者又播放多段影片,讓家長們體會同一情境下,家長與女兒用不同語氣溝通同一話題,溝通效果竟然是不一樣。

出席了上述講座後,確實讓一眾參與家長們眼界大開,部份家長於講座結束後,更留下來與講者詳談呢!

林霈顏家長 (中一)

有幸參加學校、家教會舉辦的"手制皮革班",在導師黃姑娘悉心指導下,大家按部就班的挑選材料,穿針引線,捶皮鑽孔……我們這些平時少用針黹的媽媽學得特別用心努力,真可謂"剛柔並濟"!大家笑聲連連,雀躍萬分,原來真的可以靠自己雙手造出銀包,外觀還堪比市面買的!

感謝學校、家教會安排此次活動,讓我們一 班家長渡過一個愉快又有收穫的周末!

# 北果雙语

為配合「健康校園」 這個主題,學校在四月份 舉辦了「水果雙週」,當 中包括售賣水果杯,家長 義工幫忙把水果洗乾淨、 切粒,把水果放入膠杯, 同學在午膳時可以低廉的 價錢購買。
